Through The Years . . .

Forest Park has undergone many changes. The transition from past to present is apparent when the history of our school is reviewed.

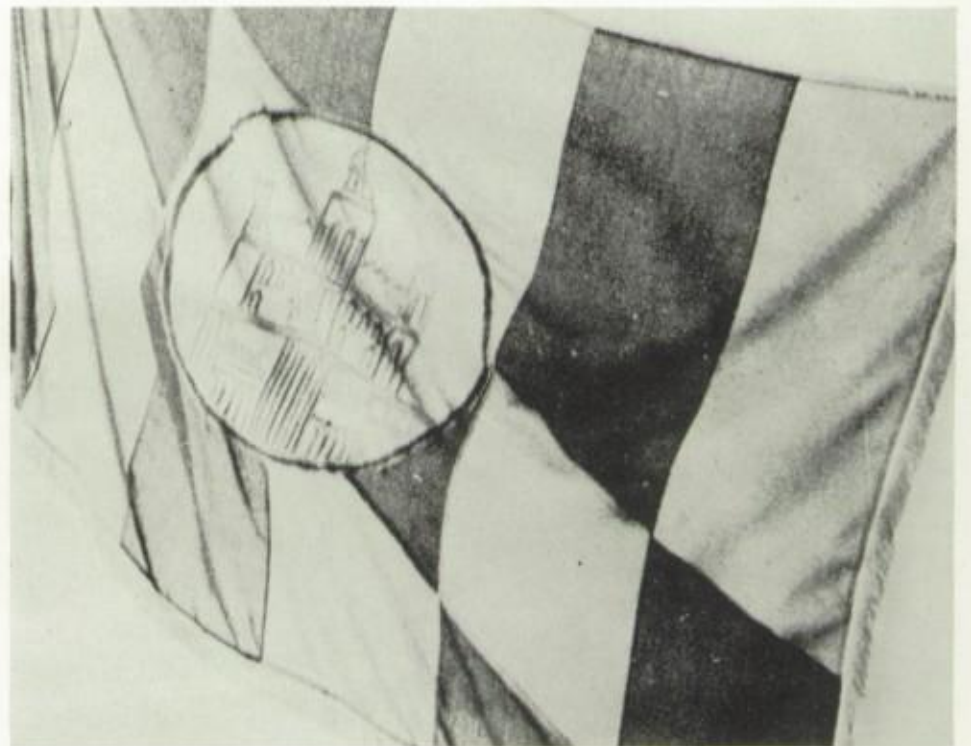

Editor's note: Old pictures have been secured from past yearbooks and are purposely not clear in order to give contrast to the new pictures.

Mr. Glenn Owens, first principal of Forest Park, instilled in the student body a spirit of intense learning and sincere school spirit.

One of the most significant and lasting traditions at Forest Park is the green and gray flag, which was adopted in 1926.

Upon his inauguration in 1926 as student president, Herbert Brown became the first of many to lead Foresters in government.

Our school ring, remaining unchanged through the years, serves as a bond between past and present students.

Treeplanting, a junior class ceremony, signifies the close relationship between the newly organized class and the school itself.

Upon taking the Ephebic Oath, a student is officially recognized as a member of the senior class.

At Farewell Assembly, seniors make their last appearance before the remainder of the student body.

Step-singing was a custom included in June Week festivities, during which seniors sang farewell to their classmates.

As time passed . . .

Mr. Wendell E. Dunn became the second principal of Forest Park, and under his leadership . . .

our standards reached new heights.

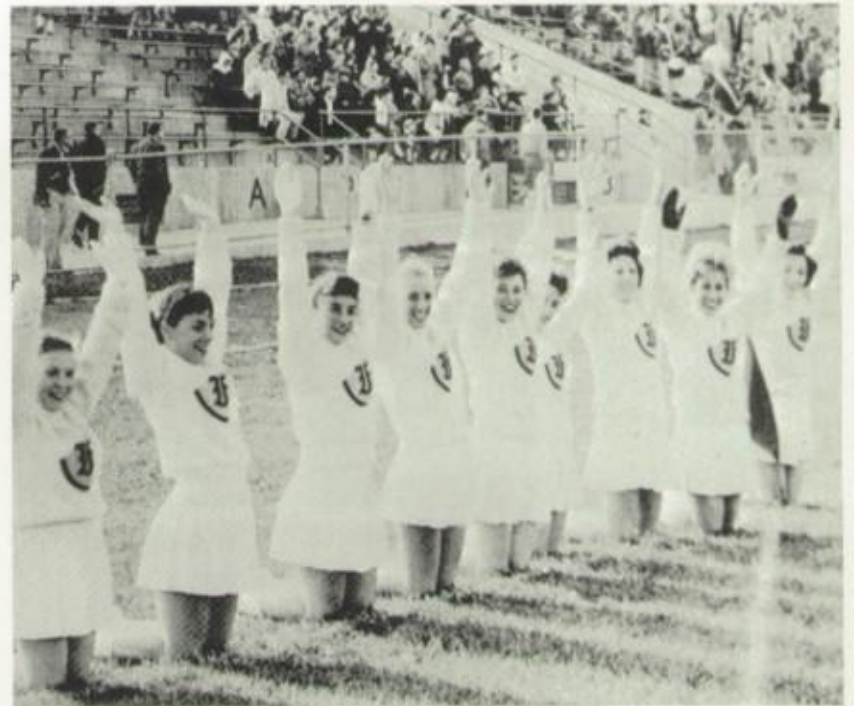

Despite the war, customary year activities continued, but with a responsibility—the sale of war bonds.

The memorial gates commemorate those students and teachers who sacrificed their lives for our country.

Cheerleaders promote spirit in athletics by attending school games.

The snack department is headed by Mr. Frank, our candy man.

The football team continually strives to bring victory to Forest Park.

FOOTBALL SQUAD

Presently serving as principal, Miss Dorothy Duval has supported and strengthened the fine standards of Forest Park. Under her guidance, Foresters can look forward to the future with confidence.

Forest Park High School, 1962.

MR. WENDELL E. DUNN

Mr. Wendell E. Dunn was the most well-known and influential person at Forest Park for more than one quarter of a century. A native of South Dakota, Mr. Dunn received a Bachelor of Arts degree and a Masters degree from the University of Wisconsin. After teaching science in his home state, Mr. Dunn served as vice-principal of Baltimore City College in 1932. In subsequent years he assumed the position of principal of Patterson Park Junior High School. From there he came to Forest Park to begin his twenty-six years as head of this school.

During Mr. Dunn's administration, Forest Park was entered on the list of accredited secondary schools. The foreign exchange program of the American Field Service and the college preparatory curriculum were also introduced during this period of time.

Because of his untiring service to the faculty and students of Forest Park, Mr. Dunn will always be fondly remembered by all who have known him. This yearbook is our tribute to the man who helped make Forest Park the fine school it is today.

MISS DOROTHY DUVAL

Forest Park's new principal, Miss Dorothy Duval, was born in Baltimore City and attended Catonsville High School. Miss Duval is a graduate of Goucher College, where she received her B. A. degree. She acquired her M. A. degree at Columbia University and did graduate work at Johns Hopkins University.

Before coming to Forest Park, Miss Duval served as principal and vice-principal of several schools. Among these positions were the first vice-principal of Garrison Junior High and principal of Woodbourne Junior High, where she served immediately before her appointment to Forest Park.

Miss Duval's interest in education is clearly shown by her active participation in the state and national, teacher and principal organizations, the P. S. T. A., M. S. T. A., and M. E. A.

As principal, Miss Duval's main goal is for our school to be ranked as one of the best schools in the state of Maryland through the combined efforts of both faculty and student body.

Forest Park is indeed fortunate to be able to have such an outstanding figure in the field of education as its principal.

ADMINISTRATION

DR. CHARLES CRAMER

Dr. Charles Cramer has served as vice-principal of Forest Park for six dedicated years. Preceding his coming to this school, he was special assistant at Garrison Junior High School, and vice-principal at Roland Park School. Originally from Wisconsin, Dr. Cramer attended Kenyon College, Ohio State University, and Emory University, receiving his A. B. and M. A. degrees. From Johns Hopkins University and the University of Maryland he obtained his M. Ed. and D. Ed. degrees, respectively.

As adviser to the Student Participation in Government, Dr. Cramer has been a beacon of light to the student body. He is regarded as a leading and inspiring figure at Forest Park.

MISS OLGA BAWDEN

Miss Olga Bawden, vice-principal of Forest Park for only two years, was born in Baltimore City. She received her B. A. degree from Goucher College and obtained an M. Ed. degree and a Certificate of Advanced Studies in education from Johns Hopkins University. For the following fifteen years, Miss Bawden taught History and French at Robert E. Lee Junior High School and Eastern High School, her alma mater. Preceding her appointment to our school, she was vice-principal of Canton Elementary-Junior High School.

Besides Miss Bawden's duties as a vice-principal, she acts as adviser to the Girls' Leaders' Club, a chapter of the National Honor Society. Most assuredly, her fine personality and warmth make her a wonderful and understanding person.

FACULTY

Since the doors of Forest Park first opened in 1924, many dedicated teachers have passed through our school's portals. Originally consisting of only one hundred members, the faculty, under the able direction of Mr. Glenn Owens, established and upheld the high standards of Baltimore's first coeducational high school.

Time passes; familiar faces change. Yet, new educators have the same goal as their predecessors: to ade-

quately educate the young people. For many members of the faculty, those students who made up the Class of 1962 have been their last, culminating a long career of dedicated service. For others, these Foresters have been their first. However, for the majority, 1962 is one Year in a stream of many, a Year which has made its own mark in the history of Forest Park.

The English Department of Forest Park offers a wide range of courses, one to suit each individual student. Besides its regular plan, there are also two enrichment programs. In the first plan, grammar and composition are taught at an accelerated pace. In addition, an evaluation of literary style and techniques is part of the literature program. Those who qualify for the second plan may take a major course in journalism or drama in place of the regular twelve B English.

The dramatics program also includes a drama minor course. More extensive opportunities for participating in writing activities are provided through the Scribblers' Club.

Science

The Science Department offers basic, regular, and enriched courses in Biology, Physics, and Chemistry. Of these, Biology is the only required course, while Physics and Chemistry may be chosen as electives.

The courses of study for the regular and the enriched courses include three recitation periods and two laboratory periods each week. During the laboratory periods,

experiments pertaining to the classroom work are performed.

In addition to the science courses, interested students may obtain valuable experiences from one of the four extracurricular clubs which are sponsored by various members of the department.

Social Studies

In the Social Studies Department, the Forester studies modern world history and geography to acquire an extensive understanding of the people and forces that are shaping today's world. United States History stresses the need for all citizens to understand the American way of life and demonstrates our importance in global affairs. The study of modern problems deals with the current political, economic, and social issues. A mature study of world civilization and world culture is undertaken by students of the College Preparatory Course.

Mathematics

Mr. Appel instructs his fourth year Analytical Geometry class.

In addition to the traditional courses, the Mathematics Department offers one tenth grade class of general mathematics and one of beginning algebra. Basic Mathematics is now offered for the first time at Forest Park. The College Preparatory Course follows through

all three years with its special program. A course closely following the recommendations of the Commission on Mathematics is being taught in one class of the tenth grade, and one class in the eleventh grade is following the School Mathematics Study Group course.

LEADERS

Capable Foresters have always been offered opportunities to lead their school. Student Government, evolving from the Presidents' Club, was established in 1926, when Herbert Brown was inaugurated as president.

Foresters have expressed themselves through the school's publications. The FORESTER, originally a monthly literary magazine, has become the yearbook of the graduating classes. Since 1925, when the *Forest Park Press* was first published, many undergraduates have worked on the newspaper.

The Club Council, formed in 1957, coordinates club activities. Leaders' Clubs, which functioned early in Forest Park's history, became chapters of the National Honor Society in 1951. The school honor societies assist them in many activities. Recognition of athletic ability is shown through membership in athletic societies.

Through participation in these activities, we have maintained the traditions of Forest Park.

Jay Goldsmith, Student President

Student participation in government at Forest Park reflects student interest. Modeled largely after the national government, student government consists of three branches.

The Student President and Vice-president, compris-

ing the executive branch, see that student government remains an important phase of school life.

The legislative branch consists of the Cabinet, Senate, and an organization of Homeroom Representatives. Representing publications, years, honor and sports organiza-

STUDENT ACTIVITIES

Since Forest Park's beginning, students have not been content with only academic development. In order to satisfy the need for character development, extracurricular activities were initiated.

Originally there were eleven clubs. Each student was permitted to join only one. As interest grew, so did the size and amount of the clubs. The original eleven have expanded to more than three times that number, and a Forester may participate in as many of these activities as he desires.

Non-athletic organizations are chartered by the Board of Student Activities, an advisory committee established in 1924 to carry out such duties as the awarding of non-athletic letters and certificates to students worthy of commendation.

Through the years, clubs have provided all Foresters with the chance to take an active role in school life. The members of the Class of 1962 have seized this opportunity and in doing so have achieved their goal.

Loyalty Day

Celestyne Crawford leads the members of the Loyalty Day skit in rehearsal.

Although Foresters show spirit throughout the school year, one day is set aside for them to proclaim their loyalty. On this day, the school colors, green and gray, are worn. An assembly is presented at which enthusiasm and spirit are aroused in the Foresters prior to attending the Loyalty Day football game, which is the climax of the day.

The topic of discussion for today is Loyalty Day.

Spirited Foresters cheer the team.

School Play

THE SCHOOL PLAY

Annually, the Drama Department, under the able direction of Mrs. Laurlene Pratt and assisted by the senior drama major class, presents a school play, as the drama class project in practical theatre.

The Grass Harp, a comedy by Truman Capote, was presented on December 15 and 16. The play concerns the escapades of a group of lighthearted people who seek sanctuary from the tyranny of their homes in the shade of a forest tree house.

Joan London, as Dolly Talbo, looks on as Catherine Creek, played by Marilyn Brodnick, peers into a mirror.

SPORTS

Since the founding of Forest Park, sports have played an essential role in the educational program. At that time, stress was placed on intramural sports, giving each student the opportunity to participate in the sport of his choice. Varsity sports were introduced in the following year. These included football, basketball, track, and baseball for the boys and field hockey and basketball for the girls. As the school grew in strength and prominence, ice hockey, tennis, and fencing were added to the list of varsity sports.

Athletic awards such as major and minor "F's", numerals, and stars are presented to those students who have accumulated the required number of points through active participation in the various athletic activities.

A motto — "Sports for All and All for Sports" — was devised to stimulate spirit in athletics. Although these words have been forgotten, the ideal behind this phrase still exists in the hearts of loyal Foresters.

Volleyball

Front row: A. Grossman, J. Becker, M. Fox; Second row: J. Parby, L. Alston, J. Bracy, C. Cox, B. Johnson; Back row: S. Levin, manager, Miss Edwards, adviser.

The girls' volleyball team, under the direction of Miss Barbara Edwards, offered good opposition to rival teams. They concluded the season with a three win, three loss record.

Under the direction of Miss Diana Greenwood, the archery teams competed against other high schools of the city. Although the season was not one of the best, effort and spirit prevailed.

The mermaids of the Green and Gray swim by in formation.

The girls who participated in swimming this year deserve special credit for the many hours they practiced in order to obtain the precision required to present their aquatic show. This group was under the supervision of Miss Diana Greenwood.

Badminton

When the intramural season of six weeks of practice was concluded, a varsity team was chosen. The proficiency that these Foresters displayed in their games against Southern, Carver, Dunbar, Eastern, Edmondson, and Western brought honors to the Green and Gray. Winning 29 out of 47 of its games, the team was successfully guided by Miss Elizabeth Roberts.

Front row: S. Popluder E. Rubenstein, B. Fitschen, L. Hendison; *Second row:* M. Kahn, M. Black, J. Ellis, J. Gamerman, J. Monfried, L. Creutzer. *Back row:* Miss Roberts, M. Asner, A. Braithwaite, B. Granek, J. Blackwell, M. Kern.

Modern Dance

The student who wishes to express his emotions through movement of the body may find that the Modern Dance Group is the perfect answer to his wishes. Meeting every Wednesday after school, the group en-

courages each individual to create his own routines reflecting his personal ideas and impressions. The group was advised by Mrs. Shirley Stewart.

Foresters fight for tough yardage.

Post Winning Season

Tough Forester defense holds again.

The Green and Gray varsity football team, coached by Mr. Milton Lumsden and Mr. Frank Lee, experienced its most successful season since 1957 in posting a record of 5 wins and 4 losses. The outstanding player was senior Norman Burkett, who, at the conclusion of

the season, was selected as first string fullback on the Maryland Scholastic Association All-Star Football Team. The squad has been improving annually, and it is hoped that in the near future Forest Park will again have a championship team.

Foresters attempt touchdown.

Cross Country

Forester harriers run for the mile.

Front row: F. Julian, L. Pinkney, C. Thornton, D. Bentzen; Back row: J. Guilford, R. Blaney, A. Grenley.

The Cross-Country team, under the direction of Mr. Robert Martin, embarked on its campaign handicapped by the lack of experienced runners. The team, composed of five seniors and two underclassmen, showed gradual improvement throughout the season.

Riflery

Front row: C. Samorodin; Back row: Mr. Lynch, coach, S. Sirody, S. Brafa, D. Wolfe, S. Salaman, J. Preston, D. Bernstein, M. Fagan.

The varsity Rifle Team experienced an encouraging season, posting a record of 5 wins and 11 defeats. The team was paced by Brian Bluefeld and Charles Samorodin. Mr. Peter Lynch serves as coach.

The Varsity Swimming Team recorded one of its better seasons in recent years. Outstanding seniors of the team were Joel Epstein and Aaron Silberstrom of February 1962 and George Baral, Joe Lee, and Bill Burch of June 1962. With good lettermen and outstanding J. V. team, Coach Zolet looks for even better seasons in the future.

Basketball

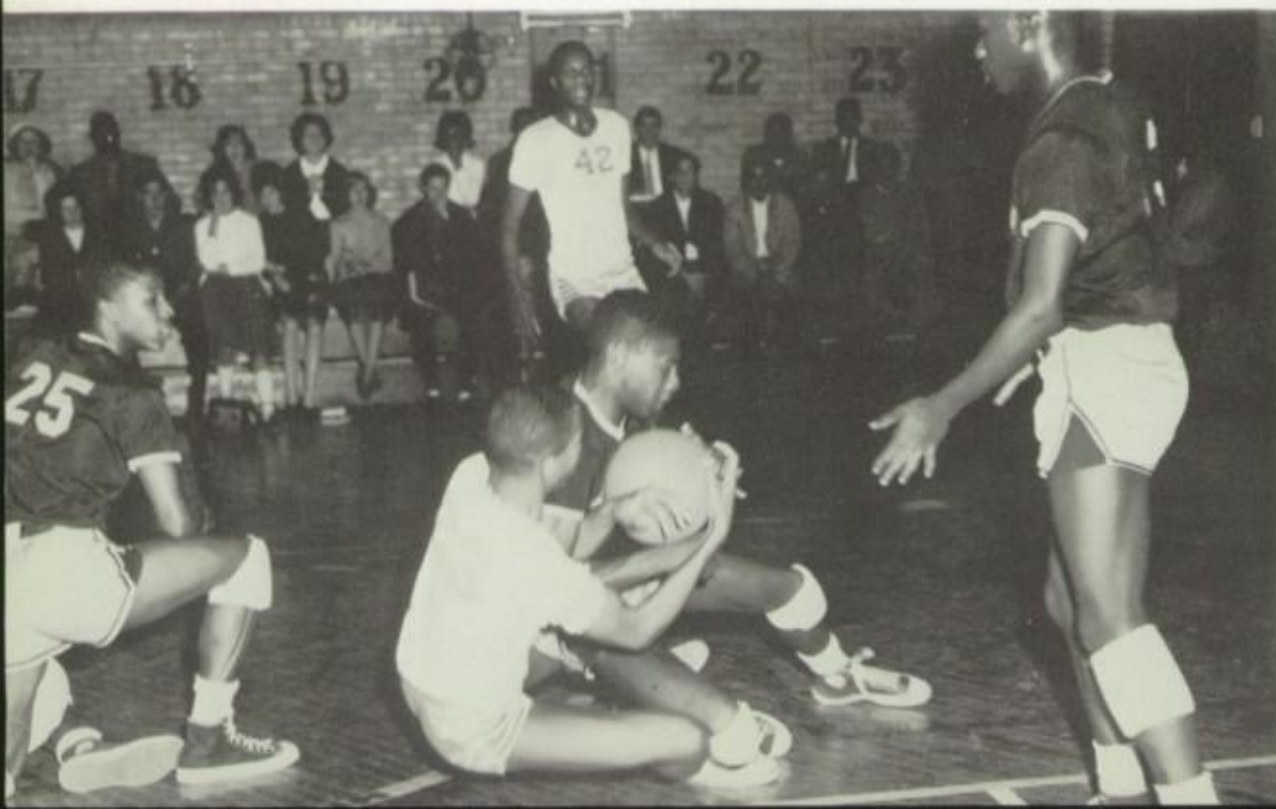

Front row: J. Davan, A. Klaff, J. Biddle, W. Woodruff, B. Karpa; *Second row:* H. Chavis, T. Colburn, R. Schoen, W. Reding, M. Boles; *Back row:* J. Fullard, S. Macht, D. Conway, C. Ailor, R. Jennings, A. Ginsburg, P. Perlman, Mr. Anderson, coach.

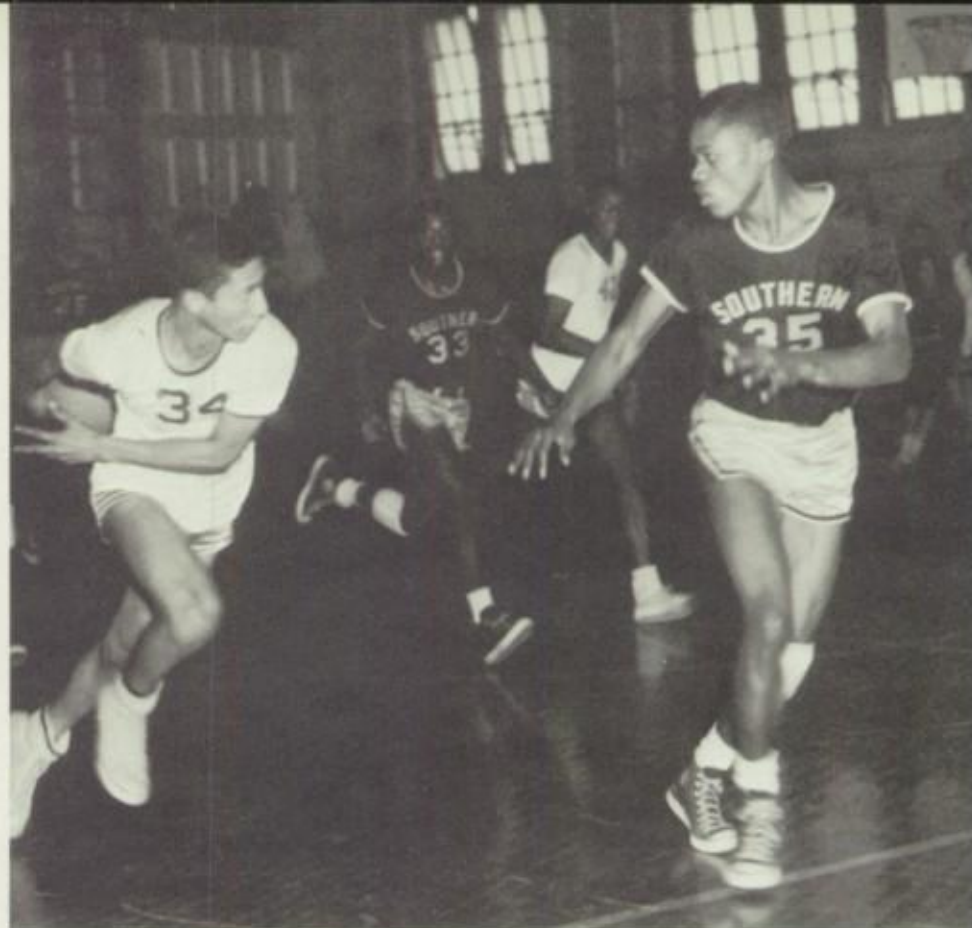

Paced by the best shooter in the history of Forest Park, Maceo Dailey, the 1961-1962 varsity basketball team experienced a fairly good season. Maceo, widely acclaimed as one of the best players to come from this area, provided many exciting moments with his fine shooting and ball handling before his graduation in February. However, much credit must be given to Marcellus Bowles, Ron Schoen, and Jim Biddle who did a fine job of holding the team together in the second half of the season. The cagers were coached by Mr. Andy Anderson.

Forester and opponent scramble for possession of the ball.

A Forester fights hard for the rebound.

Maceo hides the ball, faking his opponent.

Jim shoots for two points.

Bowles controls the jump.

YEAR ACTIVITIES

An important part of life at Forest Park has been year activities. Much of the first years was devoted to forming precedents to guide future classes. The class of thirty-eight years ago established many traditions observed today. In 1924, the school ring and Senior Inaugural and Senior Farewell assemblies were brought into existence.

At one time, students were organized in the sophomore year. Now a class becomes a unit during the junior

year. Junior Day, formerly the "Jolly Junior Jubilee," is the main project of that year.

The senior class' activities have scarcely changed. Presentation to the school as the senior class occurs during the Inaugural and Farewell assemblies, which are climaxed by dances. The last appearance as a unified year is at the commencement exercises. We, the Class of 1962, proudly join the alumni of Forest Park High School.

MR. JERRY COHEN

With the organization of February 1962, there was an innovation at Forest Park. Mr. Jerry Cohen, counselor of the group, accepted the additional responsibility of acting as its adviser.

Mr. Cohen received his B. S. degree from Loyola and a M. Ed. degree from the University of Maryland. He spent much of his time guiding us toward the future, be it a career or college. Yet his office is not only a place for serious matters, but is also a second home for

class members who congregate to discuss year business. His good advice, easy manner, and patient understanding have guided us to success in all our endeavors. He is always ready with a cheery smile and sound advice which changes worried faces to optimistic ones.

In leaving Forest Park, we will never be able to express enough our sincere gratitude and appreciation to our counselor, adviser, and friend, Mr. Jerry Cohen.

Mr. and Mrs. Cohen take time out for enjoyment at the Junior Prom.

Mr. Cohen gives advice to an interested Forester.

Mr. Cohen ponders over the problems of February 1962.

Junior Day

The Finale-presentation of our year song.

On November 18, 1960, the blue and white waved, symbolizing the unity of February 1962. The lights of the auditorium were lowered, as the Junior Class began its performance of "They Stand Invincible." The assembly depicted the outstanding characteristics of three

prominent humanitarians. The finale brought forth the class banner and our official year song. Terminating this auspicious occasion, we proceeded to the traditional tree planting, representing our never ending loyalty to Forest Park and to February 1962.

Adrienne Goldstein, chairman, explains the theme of the presentation.

Janet Weiss and Francine Siegal participate in Junior Day.

Junior Prom

Sharon Sklar and co-chairman Iris Strumwater crown Queen Sherry Bazensky and King Allan Steinhorn.

Culminating its presentation as a unified year February 1962 presented its Junior Prom "Shine on Harvest Moon" at the Alcazar Blueroom. The delightful music

of the Debonaires helped to further enhance the evening. Chosen King and Queen of the Prom were Allan Steinhorn and Sherry Bazensky.

Jim Koogle serves his date.

The members of February 1962 celebrate at the Alcazar Ballroom.

SENIOR INAUGURAL

The class of February 1962 formally took its place as the seniors of Forest Park on November 3, 1961. The Inaugural Assembly was presented in the traditional manner as the seniors marched down the aisle to the familiar "Pomp and Circumstance." Solomon Liss, speaker for this occasion, gave an inspiring speech to the student body.

To climax their festivities, the senior class presented "Polynesian Paradise" the following evening at the Alcazar. The beautiful decorations, the enjoyable entertainment of Stan Bridge's orchestra, and the excitement of the lighthearted seniors provided a memorable evening for all.

Adrienne Engel begins the processional march.

Solomon Liss delivers his speech to the seniors.

Everyone agreed the dance was a Polynesian success.

SENIOR FAREWELL

This year step singing was revived after an absence of eight years. The candle-light ceremony took place on January 25, 1962, and it included a program recalling three high school years with appropriate songs.

On January 26, the class of February 1962 made its last formal appearance before the school as it presented its Farewell Assembly. While the seniors proceeded down the aisle for the final time, thoughts turned to remembrances of three short, prosperous years spent at Forest Park. Barbara Berman, President of the graduating class, delivered a fine, reminiscent speech. The guest speaker, Dr. Edgar Berman, also offered a most interesting and stimulating talk. The assembly concluded with the presentation of the customary farewell song.

Dr. Edgar Berman delivers an inspiring speech about Dr. Albert Sweitzer's philosophy and its relation to this occasion.

Class President, Barbara Berman, and Norma Harber present a duet for the cello and basoon.

On the eve of Senior Farewell, the class of February 1962 gathers at school to participate in step singing.

SENIOR PROM and BANQUET

The members of February 1962 held their last social function, the long awaited Senior Prom and Banquet, January 30, 1962. The evening's festivities began at 6 o'clock at the Bluecrest, Fordleigh. During the customary banquet, entertainment was provided by members of the year, speeches were given, and gifts were distributed.

At nine o'clock the Senior Prom began. The theme for the occasion was appropriately, "Till We Meet Again." The elated seniors danced the night away to the enchanting music of Stan Bridge. The traditional ring turning ceremony concluded the memorable evening as they officially became alumni of Forest Park.

Rick Brown sings some old favorites.

At midnight, the traditional ceremony of ring turning took place.

Graduates participate in the final dance till they meet again.

Ruth Max, Linda Henson, and their dates take time out for refreshments.

Harriet Kramer and Yale Resnick discuss their future plans as their dates listen.

GRADUATION

Irene Shapos receives an award and congratulations from Miss Duval.

New alumni proudly congratulate each other on their graduation.

FEBRUARY 1962

Commencement exercises of the class of February 1962 took place at Forest Park High School on February 7. The class was recommended by Miss Dorothy M. Duval, principal, and presented by Dr. Vernon S. Vavrina, Assistant Superintendent of Secondary Schools. Diplomas were conferred by Mayor J. Harold Grady. The farewell song and the recessional completed the ceremony.

Sondra Haman and her fellow graduates take part in the recessional.

FAREWELL SONG

Words and music by Norma Harber

O Forest Park we bid Farewell

To three years that we spent so well

Goodbye to teachers, friends so dear

And memories we nurtured here.

We leave to serve with heads held high

Our praise of you will reach the sky

O Forest Park we honor you

The Class of Sixty-two.

Counselor and

HERMAN E. WESTERBERG

Since coming to Forest Park in 1956, Mr. Herman E. Westerberg has been of constant aid to his students in the capacity of guidance counselor. In 1961, a new job was added to those he already held: that of advisor to June 1962.

He received his B. A. degree from St. Cloud State College, his M. A. from the University of Maryland, and then he went to do additional graduate work at the University of Minnesota and Pennsylvania State University. Before becoming a counselor in 1950, Mr. Westerberg taught Social Sciences in Minnesota and Baltimore.

Although his office is a place of business, the business of planning our future, it also has a warm and friendly atmosphere. Students are always welcome to come in and discuss year activities or to join in on one of the lively debates, which is sure to be in progress. Whenever a person steps into Mr. Westerberg's office, he is sure to come out with good, helpful advice.

Yes, our Mr. Westerberg is a person of outstanding character, much loved by all who come in contact with him.

Adviser

Michael Adler presents a school ring to Mr. Westerberg as Sharon Brooks looks on.

One of the jobs of a counselor is to keep an accurate file of his students.

Mr. Westerberg advises a group of Seniors on college and world affairs.

Junior Day

The cast unites for the singing of the year song.

On March 24, 1961, the final result of many long hours of preparation burst forth as an unmistakable success. June '62's Junior Day Assembly, depicting "Freedom Through the Arts", gave ample evidence of the Year's unity and spirit as the theme was presented through dancing, choral speaking, and both vocal and instrumental music.

After a closing speech by the assembly chairman, Sharon Brooks, a Forest Park High School ring was presented to the counselor and year adviser of June '62, Mr. Herman Westerberg.

The planting of a dogwood tree, June '62's gift to Forest Park, climaxed the day's activities.

Interpretative dancing is another of the many ways by which freedom was expressed on Junior Day.

The Jazz Combo shows America's contribution to the field of music.

Co-ordinators of the Prom read over the prom program as they await the arrival of the Juniors.

Junior Prom

March 25, 1961 is a date that will long be remembered by the members of the June '62 class, for this was the night of their Junior Prom. The music of the Rivers Chambers Orchestra added that extra touch which made the "Springtime Serenade" an especially enchanted evening.

Highlighting the festivities was the crowning of Queen Gail Sandler and King Robert Slatkin by Elsa Hess and Phyllis Epstein, co-chairmen of the Prom.

Robert Slatkin and Gail Sandler reign as King and Queen of the Junior Prom.

Girls provide entertainment at the Junior Prom by doing the Varsity Drag.

Betty Miller and Berta Grossman lead the seniors into the auditorium.

All eyes are on fellow classmates as they march in the processional.

SENIOR INAUGURAL ASSEMBLY

On March 8, 1962, the members of June 1962 were officially inaugurated as seniors. As guest speaker at this assembly, P. W. Filby, Assistant Director of Peabody Institute Library, spoke on youth in England as compared to youth in the United States. Following Mr. Fil-

by's speech, Sharon Brooks, President of June '62, congratulated the year on making year activities the success they have been. Wendy Klotzman served as chairman of the assembly.

Sharon Brooks, class president, praises June 1962 for making year activities a success.

Seniors dance to the music of the Sid Cowan Orchestra.

SENIOR INAUGURAL DANCE

Under the direction of Charlotte and Diane Rudo, chairmen, the Main Ballroom of the Alcazar was turned into an oriental palace on March 10, 1962, as June 1962 celebrated its Senior Inaugural. The theme of "Shanghai

Shenanigans" was carried out through the use of oriental fans, flowers, fortune cookies, and exotic red and black program books. Music for dancing was provided by Sid Cowan and his orchestra.

Sharon Steller offers Mr. Appel a dance program.

Students delve into the future by means of fortune cookies.

ADS

In the past, each Year has been dependent on the generosity of business organizations and individual patrons to insure the publication of its yearbook. Commercial and patron ads were purchased by these supporters. To obtain ads for the 1962 Yearbook, our fellow Foresters walked many a road and approached many a friend. They found that most people did not refuse to help in giving financial aid to our publication. This book could not have been possible without such interest and support. Therefore, we, the February and June classes of 1962, take this opportunity to formally express our thanks and gratitude to all those who aided us. We hope that we have shown our appreciation by publishing a yearbook worthy of its many patrons.

THE ENSIGN C. MARKLAND KELLY, JR. MEMORIAL POST #174 of the AMERICAN LEGION was formed in his honor, to perpetuate his name and to keep alive the AMERICAN ideals for which he so willingly gave his life.

To this end the Ensign C. Markland Kelly, Jr. Memorial Post #174 has been active in originating and aiding juvenile programs and activities. A scholarship has been established at McDonogh School. Lacrosse trophies have been awarded annually to the high schools and colleges in the state. Presently, the BOY SCOUT program is assisted by the distribution of over 17,000 BOY SCOUT calendars to schools and scout troops. Individuals are sponsored to attend BOYS' and GIRLS' STATE held each year. The post sponsors baseball and basketball teams and yearly recognizes a coach from the area by presenting him with the ANNUAL SPORTS AWARD at a Sports Banquet held by the post. Gifts of 11 Polar bears as well as Jenny the elephant and most recently the Sardinian donkeys, Ginger Bread and Cupcake, have been made to the Baltimore Zoo. A film lending library is maintained for the benefit of shut-ins who reside in institutions around Baltimore. Since its inception, the post has been interested in the community; and many things have been done to promote its welfare.

We'll go together
We'll be together
Always!

FORESTER SUPPLEMENT

FOREST PARK HIGH SCHOOL

1962

SENIOR FAREWELL

On May 29, 1962, the Class of June 1962 made its last appearance at Forest Park High School by participating in the Senior Farewell Assembly. After the inspiring speech of the guest speaker, Dr. James Coleman, the Class then sang its farewell song and left the auditorium with memories of the past three years and dreams of the future.

Rebecca Mark gives Miss Duval a picture of the Student President.

The Boys' Chorus offers the selection "The Halls of Ivy."

SENIOR PROM

The Executive Board entertains at the Banquet.

Classmates sing during entertainment.

Ring-turning marks the end of the evening for the seniors.

AND BANQUET

The most anticipated occasions in the senior year, Senior Prom and Banquet, occurred for the members of the Class of June 1962 on May 31st at the Bluecrest North. At the Banquet, entertainment was presented after gifts had been distributed. Later, the Prom, with music provided by Stan Bridge, began. At 12 o'clock, the traditional ring turning ceremony was held. Thus, an exciting and memorable evening came to a close.

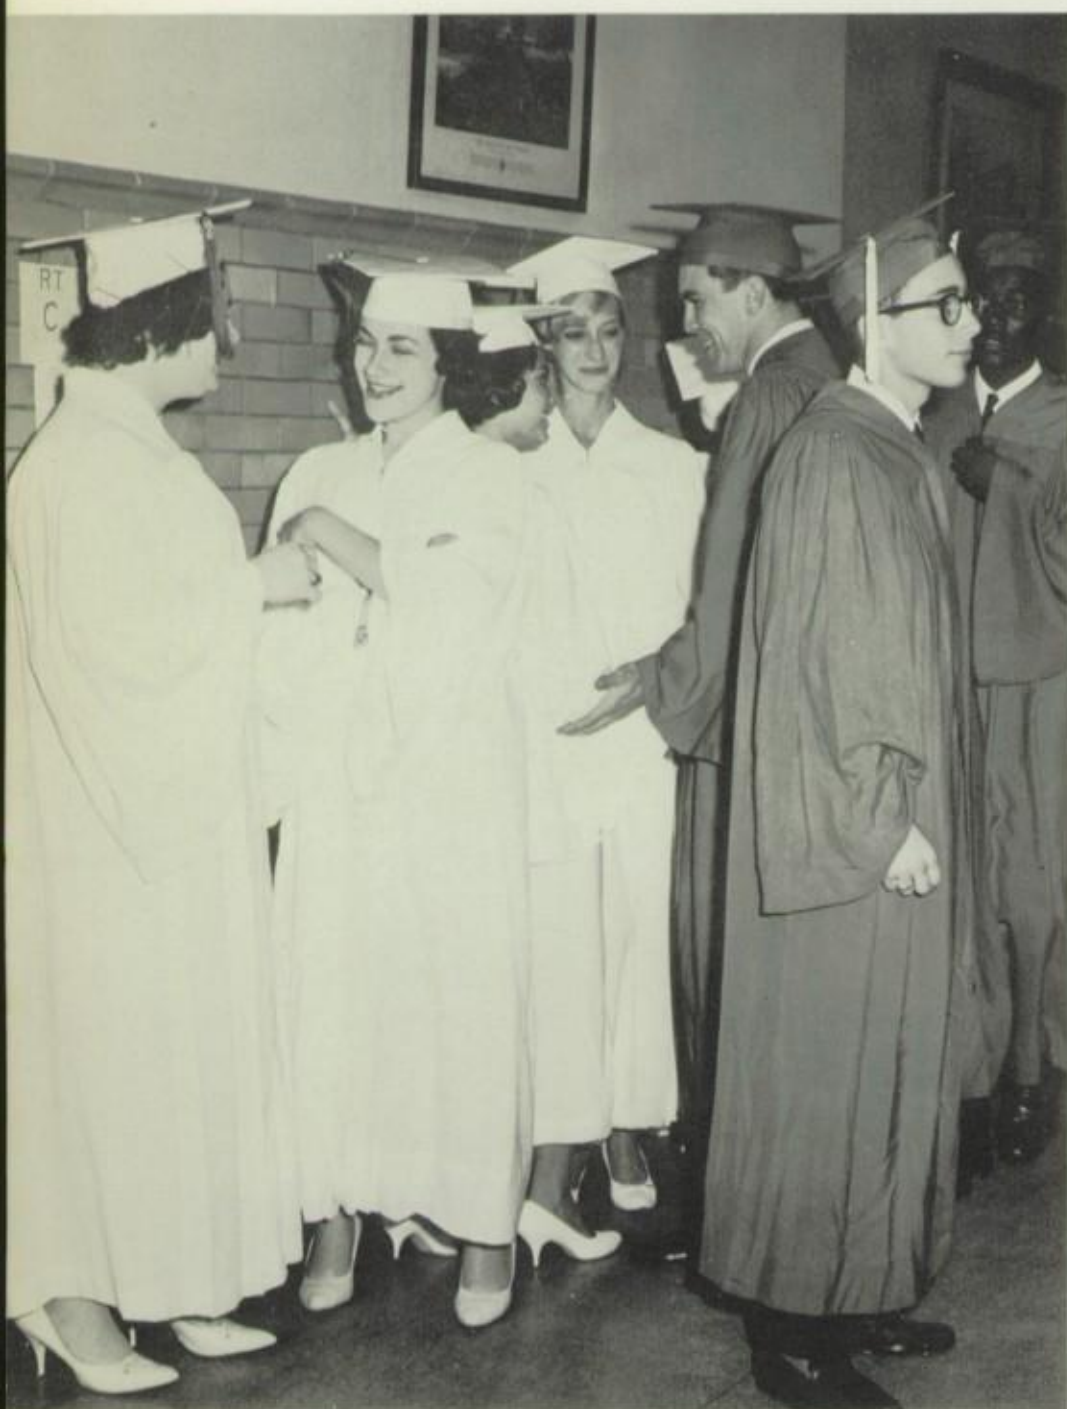

Mr. and Mrs. Westerberg receive a silver tray from Sharon Brooks as Marilyn Brodnick looks on.

The members of the Class of June 1962 and their dates take time out from dancing at the Senior Prom.

GRADUATION

Jim Biddle receives the diplomas for his row.

Graduates wait in the hall prior to graduation.

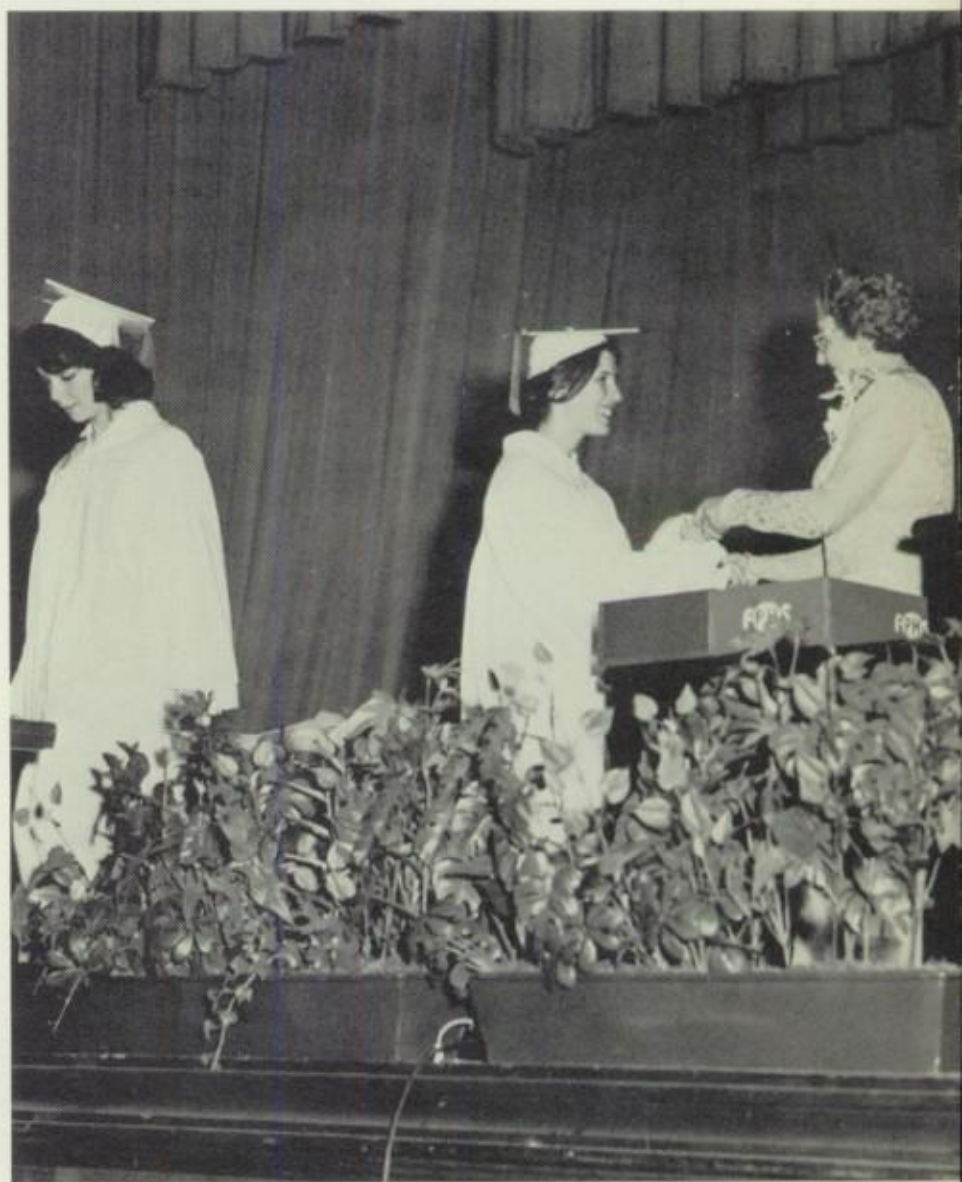

A final picture of the class of June 1962.

Commencement exercises of the class of June 1962 took place at the Polytechnic High School auditorium on June 12. The class was recommended by Miss Dorothy Duval. Diplomas were awarded by Mayor J. Harold Grady and scholarships were announced. The singing of "The Hymn to the Green and Gray" and the recessional completed the ceremony.

Miss Duvall adjusts the cap of Evelyn Ash as Susan Kaplan looks on.

Barbara Berlin and Susan Sokolove are congratulated on winning prizes for their music ability.
